Russia and Japan have been enjoying good relations through various football exchanges. Back in 2002, when Japan hosted its first FIFA World Cup, the Russian National Team had training camp in Shimizu, Shizuoka prefecture. Since then, numerous friendly matches have been played between Russian and Japanese teams from youth to professional levels.

Our national team, SAMURAI BLUE, will proudly take part in the 2018 FIFA World Cup Russia™ and now the squad is ready for the world's biggest stage. Needless to say, FIFA World Cup is a dream for any football player, and only the players who were chosen from the narrowest of chances may take part in this prestigious competition. I am expecting all 23 members of the SAMURAI BLUE to show their pride and ambitions to reach higher goals on the pitch with fairplay. Japan Football

Association has 97 years of history and the national team has 20 years of experience since its World Cup debut and we are sure that these assets will help back the team.

Having made everything possible preparation for the team to thrive in Russia, we must not forget the presence of our football family; we are going to face this challenge as one big team with Japanese football family all over the country.

Last but not least, I would like to express my sincere gratitude to all the people for their dedication and hard work to organise this tournament. I truly wish for a resounding success of the 2018 FIFA World Cup Russia™ and everybody enjoys the wonder of our game in celebrating the festival of world football.
