The JFA Pledge for 2050
Football Family will number 10 million
Host the FIFA World Cup in Japan, and the Japan National Team will be the Champion

The JFA Objective for 2030
Increase the Football Family members to 8 million
The Japan National Team will be among the Best 4 teams in the FIFA World Cup
Become one of the top 3 Football Associations in the world

[Popularisation]
Target for 2022: 6.4 million football family members

[Development]
Target for 2022: Among the top 10 in the FIFA World Ranking

The JFA Mid-Term Plan 2019-2022

- Clarify focus points to achieve each target for 2022
- Allocate resources flexibly according to annual business review/plan

The JFA Ideal
Through football, we realise the full benefits that sports can bring to our lives
- the soundness of our bodies, the expansion of our minds,
and the enrichment of our societies.

The JFA Vision
By bringing the football experience closer,
we bring sport itself closer to all; from this affinity,
we will create an environment rich in enjoyment and happiness.

By strengthening the base of football in Japan,
we will create world-class National Teams that will move,
inspire and encourage the people of Japan.

We will always act in a spirit of fair play,
fostering friendships among the people in Japan and beyond,
to contribute to the betterment of the international community.

2. Review of The JFA Mid-Term Plan 2015-2022 (with insights for future)

The items listed below should be prioritised to achieve sustainable development of football:

### Football

- Pursue the Japanese style of football that takes full advantage of Japanese players’ strength, and promote youth development
- Redesign playing environment in response to domestic and international football trends/calendar
- "Zero tolerance” of violence and rant
- Further improve the playing environment to increase the number of women players
- Lead kids to keep playing from the day when they first kick a football by the age group of class 4 (U-12)
- Respond promptly to changes in the environment surrounding school activities
- Provide opportunities for everyone to enjoy football (playing, watching, supporting) anytime and anywhere

### Organisation

- Appropriate business evaluation and resource allocation
- Strengthen governance and improve profitability to reinforce 47FA’s management base

### Business

- Deepen engagement with individual football family
- Establish a business model that does not rely on exposure of Japan National Team contents and advertisements
Make sports a part of daily life through football

Create a "true sports culture" where sports enrich people's lives by engaging in all activities centered around football, always from the viewpoint of "players first" and "respect".

The JFA Ideal

Through football, we realise the full benefits that sports can bring to our lives - the soundness of our bodies, the expansion of our minds, and the enrichment of our societies.
We identify football as the most important business area, supported by organisation and business areas. Our aim is to further accelerate the development of football by strengthening our organisation and business areas, with a focus on football at our core. Football will then become a platform to create "true sports culture" through contributions to sports and society.

**Contribution to society**

**Contribution to sports**

**Football**
- Evolution of Japan's Way
- "Everyone, forever"

**Organisation**
- Management resource optimisation
- Strong 47 FA as a role model for others

**Business**
- Improve customer experience
- Effective use of data

Promote further football activities by improving organisation

Return profits, generated by diverse business, into football development

Collaboration with stakeholders and related organisations including the J. League
3. Focus Areas towards 2022 (Summary)

### Football

The national teams' performances including futsal, beach soccer and youth categories are essential to football development. In order to be the top 10 in the world, we will aim to reclaim Nadeshiko’s title at the 2019 FIFA Women's World Cup France, win medals at the 2020 Tokyo Olympics, and achieve our best ever record in the 2022 FIFA World Cup Qatar.

**<Task>**

Demonstrate a strong presence at international competitions

Provide an opportunity for "everyone" to enjoy football "anytime" and "anywhere"

**<Target>**

Foster Japan National Team Identity and evolve "Japan's Way"

Create an environment that ensures seamless engagement in football activities

### Organisation

Build a solid organisation for the promotion of football development in Japan

**<Task>**

Create an organisational foundation to realise sustainable growth

Build a strong management base for 47FA

**<Target>**

Optimisation of resource management

Expand FA's independent activities

### Business

Convert enrichment of personal football life into business value

**<Task>**

Provide opportunities for everyone to engage in football on a deeper level

Create a new revenue model outside the box

**<Target>**

Create an environment that provides consistent access to football

Convert football data to customer value
